BASIC PRINCIPLES IN ONCOLOGY COURSE

Ljubljana - SLOVENIA

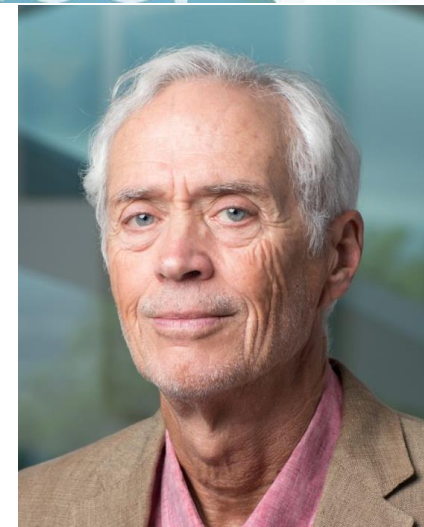

27.10.2022
30.10.2022

Alexandru Eniu

Fedro Alessandro Peccatori

Douglas Hanahan

BASIC PRINCIPLES IN ONCOLOGY COURSE

Ljubljana - SLOVENIA

27.10.2022
30.10.2022

- **comprehensive course** for oncology trainees in Europe
- **bridge the gap** between courses for students and Masterclasses
- orientation to the guiding principles of multidisciplinary oncological management **and life as a modern oncologist**
- Update on: principles in etiology and epidemiology
cancer genetics, staging and imaging
surgical oncology and pathology
radiology and chemotherapy
pediatric oncology
communication, supportive and palliative care
clinical trials and paper appraisal

BASIC
PRINCIPLES
IN ONCOLOGY
COURSE

Ljubljana - SLOVENIA

27.10.2022
30.10.2022

- life as a modern oncologist

Prof. Franco Cavalli

Prof. Ian Tannock

APPLICATION DEADLINE 2 July 2023!

2nd BASIC PRINCIPLES IN ONCOLOGY COURSE

Bucharest - ROMANIA

22.09.2023
23.09.2023

ESMO ACADEMY

DUBLIN IRELAND
PRAGUE CZECH REPUBLIC
19-21 AUGUST 2022

- key topics in medical oncology
- methodology and interpretation of clinical trials
- standard of care
- future perspectives in the main tumor types
- pharmacokinetics and drug interactions

Viviane Hess

Karin Jordan
